Mission Statement

Built on the foundation of educational equity and opportunity, the Undocumented Student Resource Center at UC Davis strives to empower undocumented students, their families and members of the community in being informed leaders and active participants in our communities. The Center strives to educate and build awareness of changing policies affecting California's undocumented population. We acknowledge that immigration status is one aspect of an individual's identity that does not solely define a person or their capacity. We promote a holistic approach to recruitment and retention of students in higher education, taking into account a student's mental, emotional, and financial well-being.

Welcome to the COMPASS Center

The COMPASS Center is open to all students—regardless of race, ethnicity, national origin, sex, or gender. Our programs and services support immigration-impacted students, including undocumented students, those from mixed-status families, TPS holders, visa holders, refugees, and others navigating complex immigration systems.

In addition, the center offers educational opportunities for staff, faculty, and administrators to build an informed and supportive campus community.

Formerly known as the DREAMer Resource Office, the COMPASS Center continues the legacy of advocacy, care, and student success while expanding its reach and impact. Established in Fall 2017 through the efforts of students, staff, faculty, and alumni, our center promotes academic achievement, well-being, and community building.

Whether you're already connected to us or exploring for the first time, we look forward to supporting you and walking alongside you on your journey!

Contra Costa College, Diablo Valley College, and Los Medanos College are dedicated to supporting all students, regardless of immigration status, as they pursue their educational goals. We understand that many in our community may be feeling uncertain or anxious, and we are committed to doing everything we can to support students' continued well-being and safety.

One concrete action all students can take now is to prepare for the possibility of immigration enforcement actions that may occur on campus. We have identified resources for those who want to learn more about the rights and responsibilities of individuals interacting with immigration offices. We have also identified a point-of-contact for students contacted by immigration officers on campus and additional resources that may be helpful.

STATEMENT OF SUPPORT BY DR. OLIVO:

Dear Hornet Familia,

As we enter 2025, Fullerton College wishes to reiterate our unwavering commitment to being a welcoming, safe and supportive campus community where all individuals can learn and thrive.

We also recognize that our community is facing new challenges, deep uncertainty, and emotional stress post-election. This is particularly true for our undocumented community and those with mixed status households.

As we face the uncertainty of potential policy changes head on, please know that Fullerton College is here for you and we will navigate this together. Nobody is ever alone and we have the resources and programs to ensure challenges do not keep you from achieving your academic goals. Our campus is taking a proactive and collective approach to ensure the safety and well-being of all our students and is motivated by our shared values of inclusivity, diversity, and shared community.

In community,
Dr. Cynthia Olivo

What is an AB 540 Student?

California law AB 540 authorizes any student, including undocumented students who meet specific criteria to pay in-state tuition at California's public colleges and universities. This applied to students who may be without lawful immigration status, as well as to students who have moved out of state and subsequently returned to California. A student is exempt from paying nonresident tuition if the student meets all of the following four requirements.

About Us

The DREAM Program is an educational and support program designed to guide undocumented students (with or without DACA) and allies. DREAM provides services and events that are carefully arranged to help undocumented students navigate Mt. SAC, academic success, and life beyond the classroom. We provide guidance with financial aid, private and institutional scholarships, assistance with the CA Dream Act, mentorship, immigration legal services, health resources, and referrals that pertain to the undocumented experience.

Who We Serve

Our program serves students who are undocumented immigrants as well as those who are notable allies of the undocumented community. An 'undocumented immigrant' is someone who is residing in the country without legal documentation. This includes people who: entered the U.S. without inspection, overstayed their legal status, have and do not have DACA, and those who are in the process of legalizing. Allies in our program have a strong commitment to supporting undocumented people--be this a close friend, partner, co-worker, or family member. To learn more about who is included in the term "undocumented," please review [Immigrant Rising's Defining Undocumented](#).

Know What to Do

If a federal immigration official is on campus and requests access to student information, district records or entrance to a facility:

Do Not Panic

Explain to the official that you do not intend to impede their progress. Instead, you are contacting the appropriate campus department that can better assist them.

Ask For Identification

Ask the official to present identification which should include their name, badge or personnel number, and the name of their agency.

Notify OCC Campus Public Safety and the President's Office

Campus Public Safety: (714) 432-5017

President's Office: (714) 432-5818

Learn About the Dreamers Resource Center

Welcome DREAMers!

San Bernardino Valley College's DREAMers Resource Center (DRC) is designed to improve student success and help to successfully transition undocumented students, DACA students and those from mixed status families into college.

The center provides academic advising, counseling, referrals to student services programs and peer-to-peer advising in a welcoming environment where DREAMers can connect with campus and community resources. All services are provided in English and Spanish.

The DRC uses Student Equity and Student Success funds to advise students about the Federal Dream Act, the California Dream Act and Deferred Action Childhood Arrivals (DACA) laws. DREAMers visiting the DRC are provided resources intended to assist students in completing their educational and career goals.

Know Your Rights - Information from LACCD

Our Mission

The Dream Resource Center seeks to serve undocumented, and housing/food insecure students with information and resources. These resources are intended to promote college access, persistence, completion and transfer by creating a safe and supportive environment, building leadership skills, promoting equity as well as civic and community engagement.

We seek to promote an inclusive campus culture that empowers our students to achieve their academic and personal pursuits and become active members of our communities.

We believe that students deserve the right to learn, be healthy and pursue their dreams regardless of personal circumstances; such as: gender, immigration status, sexual orientation, and race etc.
